

St James' CE Primary School

Our Christian Value for the month of September is Community

Friday, 18th September 2020

It has been another busy week here at St James'... the children are settling into the hand-washing regime! All the children across the school are using a book called 'Here We Are' by Oliver Jeffers as part of our Healing Curriculum, the children are having fabulous discussions and producing amazing work.

A big thank you to you all for supporting the new systems we have in place especially at the start and end of the day, it is very much appreciated.

Have a lovely weekend.
