Welcome to the start of Autumn Term 2020.

The children have settled into school life so well and we are all incredibly proud of them. There have been many changes to routine and the children have embraced them all!

Thank you for your support at the start and the end of the school day.

We realise it is challenging. Please continue to be on time to collect your child, this is so important to make sure the system works smoothly. It is a good idea to wear a face mask as it is at times difficult to social distance from others. We would appreciate if you left bikes outside of the school as there very limited space and lots of people. Thank you in advance.

Well done to the following children....

Rayna, Year 1 has been working hard all week and has been enthusiastic in all she has done!

Lena, Year 2 has a great attitude towards work and not giving up!

Kwame, Year 3 has been putting his hand up lots to share his ideas and has produced some brilliant writing

Samaiah, Year 4 has been brilliant all week and settled so well into the new term

Nicole, Year 5 has been on task all week and has been so helpful in class

Khadija, Year 6 has produced work of an excellent standard and has been brilliant all week
