Our School Vision

After lots of work and discussion we have a new school vision. We will be exploring this over the coming weeks and months...

Our school community is inspired by the Parable of the Sower (Matthew 13) where we are encouraged to think about and understand that the smallest things have the greatest potential when they are provided with the best environment for growth. This is exactly what we all strive for at St James'; a learning environment where all our children can flourish and grow in their own unique way.

News updates...

Our new Reception class have all visited for their first Stay and Play sessions. It has been lovely to meet our new children, who have all been absolutely brilliant! We are thrilled to have them as part of our school and look forward to getting to know them.

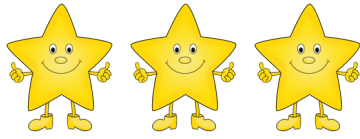

LONDON FIRE BRIGADE

Year 2 and Year 5 both had Fire Safety workshops from the London Fire Brigade via Zoom this week- they learnt so much and found the talks really interesting.

Next week we will be selecting our football teams to take part in matches against other schools! Exciting times ahead at St James'.
