Our School Vision

After lots of work and discussion we have a new school vision. We will be exploring this over the coming weeks and months...

Our school community is inspired by the Parable of the Sower (Matthew 13) where we are encouraged to think about and understand that the smallest things have the greatest potential when they are provided with the best environment for growth. This is exactly what we all strive for at St James'; a learning environment where all our children can flourish and grow in their own unique way.
