Newsletter Issue 33

Our School Vision

Our school community is inspired by the **Parable of the Sower (Matthew 13)** where we are encouraged to think about and understand that the smallest things have the greatest potential when they are provided with the best environment for growth. This is exactly what we all strive for at St James'; a learning environment where all our children can flourish and grow in their own unique way.

Our Christian Value for the month of **June** is **Humility**.

Value of the Month: Humility

We have continued to look at 'Humility' in worship and in what the children do around school. This week we looked at the story Jesus told about a corporal not prepared to help his soldiers but watch because he thought he was greater than them. We discussed what this means and why you should help your team/class/friends/neighbour no matter who you are!

Humility isn't as much a destination to be reached as it is an attitude to be embraced.
