

RECORDS MANAGEMENT SOCIETY OF GREAT BRITAIN LOCAL GOVERNMENT GROUP RETENTION GUIDELINES FOR SCHOOLS

Version 3.1

This retention schedule contains recommended retention periods for the different record series created and maintained by schools in the course of their business. The schedule refers to all information regardless of the media in which it is stored.

Some of the retention periods are governed by statute. Others are guidelines following best practice. Every effort has been made to ensure that these retention periods are compliant with the requirements of the Data Protection Act 1998 and the Freedom of Information Act 2000.

Managing record series using these retention guidelines will be deemed to be "normal processing" under the legislation mentioned above. If record series are to be kept for longer or shorter periods than laid out in this document the reasons for this need to be documented.

This schedule should be reviewed on a regular basis.
