COVID-19 Updates

For the next few weeks England is in a period of lockdown, at this stage it is hoped that all schools will be able to keep open for all children. We are constantly updating our risk assessment when there are changes or additional guidelines from Government.

Ventilation is thought to be key in terms of getting air moving through classrooms. Windows and doors will be kept open and even though the heating is on the classrooms will feel chilly. It is essential that the children have layers on. During this period we are happy for children to bring extra clothing into school such as a fleece sweatshirt or body warmer. These do not have to be school colours but I do suggest that they are named.

Please wear a face mask or face covering when you drop off and collect your child/children, we all really appreciate your support in keeping our whole community safe at this time.

In line with Government advice some staff may need to work from home. Mrs Piscitelli (our Y4 teacher) will be working from home for the next few weeks and the children will be taught by Mr Tabbara.

We will of course update you about any additional COVID-19 issues through the newsletter as and when we need to do so.

Wishing you well, keep safe.

The Staff of St James' CE Primary School

Celebration Worship

Adetona, Year 1- for continued hard work and an amazing attitude towards all learning!

Natanya, Year 2- for showing initiative and taking pride in her work

Grace, Year 3- for being committed to all our Christian Values in all she does and having such a great vocabulary

Ocean-Maxime, Year 4- for having an excellent week and working so hard- well done!

Ryan, Year 5- for participating well in all class discussions and work, encouraging others as well

Francesca, Year 6- for being fully focussed and producing work to a high standard all the time

Well done everyone!
