Eastfield Vs St James 9-0 Win

We started the match strong and kept winning the ball. We then had an amazing opportunity and Kule's shot and scored! We were so happy as we were 1:0 up very early on in the match. After the next kick off, Elliott won the ball back he took the shot from far out and it went in the top corner of the goal. Then immediately after kick off Elliott won the ball back again and passed it to Mayson, he took a chance and shot from the halfway line and he was already going back to his defence position, because he knew it had no chance of going in but the goalkeeper made a mistake and it ended up in the back of

the net. After that their player shot straight away but Georgio was there to save it! We then started our attack again, he booted the ball to Khan, he was getting pressured and crossed it to Elliott, who scored a powerful volley into the bottom corner.

We then scored many more goals making the match 9:0 Elliott scoring 3 goals with two assists. Mayson getting 4 goals 0 assists, Artas getting one goal and so did Kule.

It was a great team effort and all of us should be congratulated on a great start to the season.

Honilands football match. 2-0 Win

We began as usual and started the match strongly. It was a much harder game, as they were a good team. It was hard to score a goal as they defended well. The game was very even between us both when they suddenly launched the ball down the pitch and Tobi headered the ball to Kule and he dribbled past a defender with ease and shot with power. It was an amazing goal!

Then they kicked off and had a really good chance and Mayson tackled, which was necessary as otherwise they would have scored. Unfortunately, a penalty was awarded. We were devastated. This is where we needed Georgio the most, they took the shot and he saved it. The parents were amazed, the team went around him and celebrated as it was an amazing save, one of his best saves ever. He celebrated by pounding his chest. He then booted the ball to Elliott and he passed it to Kule who went to an angle and scored an amazing goal! It was his second goal of the match. We ended the match 2:0 with Kule scoring 2 sensational goals and with Elliott and Tobi getting a assists. Georgio was our hero as they were a good team and he performed some terrific saves! We won both our matches with Tobi as our captain.
