A message from Mrs Everard

Dear all,

I cannot believe we are at nearly at our final week, the year has truly flown by and so many amazing opportunities have taken place where our children have flourished and grown in so many different ways! Last week I shared with you our Siams report, where we are inspected as a church school, and the report was wonderful, and celebrated what we do as a church school but it also celebrated my wonderful staff and all they do to enhance your child's experience at school, we are an amazing school and I am so pleased that Siams and Ofsted are recognising this! Here are some of the most wonderful statements:

- *They flourish within a loving community that cherishes and promotes their individual abilities and strengths.*
- *A sense of love and care permeates throughout. Wellbeing is prioritised, which further promotes the flourishing of pupils and adults.*
- *St James' is a vibrant and joyful community.*

We also over the last few weeks welcome Cllr Abdul Abdullahi, who is the cabinet member for children services in Enfield. He visited to celebrate our recent success and met with Mrs Sheehan, myself and some Year 6 pupils and had a tour of the school. It was lovely to show our amazing school to him and for him to acknowledge the wonderful work that happens at St James'. During this visit a video of the school was

created for Enfield Councils social media page about schools in Enfield and why parents should choose Enfield as the place to educate their children and here is the link: <https://www.facebook.com/share/v/19BQk4jChD/?mibextid=wwXlfr>

I am so proud of St James', we are creating amazing experiences, learning, opportunities and children who are successful and have that joy and love of school- which is so important and it is also thank you to you as parents for supporting us in our endeavors.

In other news:

This week you would have received your child's report electronically and I know that the teachers spend lots of time sharing with you what your child has achieved and also what they need to work on, if you would like to discuss your child's report and open session is available on **Wednesday 16th July from 3.30-4.30pm** – please see your child's class teacher to book a slot.

This week also saw lots of trips, we had Yr4,5,6 and reception class out on trips and our reception children led worship on Friday as part of their graduation which was truly wonderful.

Wishing us all a wonderful final week, God Bless Mrs Everard

Year 1 RESPECT

Year 1 led us in worship this week and told us all about our value of 'Respect' – What it means and how we show it to others, they sang brilliantly, as well as using courage to perform- Thank you to the year 1 team for their hard work

BST HYDE PARK

YEAR 5

Year 5, headed to Hyde Park to take part in the summer events, they saw Brainiac live, as well as completing a mini tour of London – it was HOT HOT – but they had a gre4at time – here are some photos from their event:

Year 6

Year 6, went to Hyde Park on Wednesday and they got to try junior darts and explored the animals you find in the royal parks in London – here are some photos from their event:
